2.	2. A sentry wearing red-bordered black epaulets with motor transport insignia was posted near the Altkettenhof in Schwechat (P 49/X 43) on 9 April 1952. The chimney was smoking, and a red flag was on the roof. Six soldiers wearing red-bordered black epaulets looked from the windows. Another sixteen men worked in the rear section of the Altkettenhof. Jeep driven by personnel wearing red-bordered black epaulets entered the yard, where 6 trucks were parked. Sixteen telephone lines strung on poles converged in the building across from the Altkettenhof and extended across the Altkettenhof along the Schwechat River as far as Himberg (P 49/X 43). **
